## About Sandra:

I have been knitting creatively for the past 15 years, initially producing unique pieces of clothing such as waistcoats and jackets, as well as accessories such as bags, scarves and gloves. Tying into my passion for unique creations with a difference, and working with wireframe artists, I have started creating the pieces set out in this brochure. Each unique piece takes me on average four weeks to complete. To date, my collection consists of the rhino, dog, cockerel, warthog and my most recent addition the giraffe, standing at 1,5 metres.

To find out more, please feel free to contact me. I would love to hear from you.
